

Braille Pricing

The fees that we charge government agencies, schools, nonprofit agencies and private businesses reflect recovery of actual costs of production, including labor, space and appropriate overhead. The time contributed by volunteers is their generous gift to our customers and is not included in our rates.

New Braille Textbooks:

Fee is \$5.75 per page and includes national search, staff/volunteer initial transcription and embossing, grades 1-6 and mathematics proofread, corrections, final embossing, binding, labeling, shipping, invoicing, accounting and tracking, follow-up and storage.

Previously Brailled Textbooks, Sold to Other States:
